This conference already exists in 11 other states, and now they are working to bring it to Oklahoma this coming spring! Click this link to learn more.

Reach out to Victoria (victoria.roper@okstate.edu) if you are interested in getting involved in a leadership position or as part of a subcommittee.

Future Graduate Student Spotlights

There are so many amazing projects and activities our grad students are involved in, it’s hard for me to keep track of them!

If you or one of your peers receives an awesome award, gets a publication, or does something else really cool and you think they deserve to be highlighted for their accomplishment, please reach out to me (danielle.kirsch@okstate.edu) and let me know! Faculty are welcome to nominate their students too!

Don’t forget to join our Facebook page “OSU Zoology Graduate Student Society” for more day-to-day updates.
